VBS is COMING!!

10/40 Expedition VBS is coming July 22-26, 2024. This year is a missions focused VBS and we will have missionary videos, stories, and Carolyn Thompson with us all week! By adding our new space we will be able to accept more kids this year and hopefully not have a waiting list for the first time in a while! This will of course take MANY volunteers serving in MANY roles. We really need all who were involved last year plus more to make this happen! Please consider volunteering in some way! Email alisag@hixsonpres.org to volunteer. Registration for participants will open in May.
