**Bible Track [M1]:** It's been said that "Exodus is about creating a people capable of freedom." If that's true and all of our stories of redemption fit into God's big story of freedom from slavery and deliverance into the promised land, then all of us can grow in faith today by understanding the books of Joshua and Judges in the context of the Old Testament and in light of our New Covenant promises in Christ. Join Pastor Thad. (This class will be recorded & posted online.)

**PRACTICAL CHRISTIAN LIVING:** Financial Peace University: Need a budget, revised financial plan, way to start living financially free rather than buried by debt? We are again offering a biblically based class that's helped millions beat debt, build wealth, and give like never before. Tony and Rachel Surtees are leading Dave Ramsey's Financial Peace University starting **September 7 in M6**.

Email [thadd@hixsonpres.org](mailto:thadd@hixsonpres.org) to sign up and get a book!
