Live Nativity on Christmas Eve

Christmas Eve service will be a rich time of family worship. We invite all kids ages PreK4yrs through 5th grade to take part of a LIVE NATIVITY as part of the service. If your child wants to participate, arrive at 5:30pm to pick out and get them in costume. We will direct them as they build the scene early in the service. After that song, they will come to sit with you. Return costumes after the service and have a Merry Christmas!

The Season of Advent

As we enter the season of advent, I pray for your family that you can find sweet times to reflect on our Savior. If you are looking for some resources to use during this season, come by the children's check in desk. I will have several types of resources to offer our families.

Serving with HPC Kids-Nursery

What does it look like to serve in our HPC Nursery?

People of all ages and stages being the hands and feet of Jesus! Join our team today!
